

Autumn 2019 1st Half Term – Team Woodland

Hello and welcome to the start of the year in Team Woodland! The children have settled in so well. Our existing children have been kind and welcoming and our new children have been trying new things every day. It has been wonderful to see so many little relationships develop between them.

It has been lovely to see parents logging on to Tapestry and commenting on observations and even adding their own. Please continue to do so. It is so lovely to see the children's learning at home whether it's getting dressed on their own, talking about their school day or playing a game.

This term, we are continuing to get to know each other and develop further relationships. Willow and Bluebell will also be listening to and learning about some of our favourite Traditional Tales whilst Acorn will be learning some classic Nursery Rhymes. After listening to these, we will have some exciting and engaging activities for the children to get stuck into! Some of these will include:

- ★ Role playing and retelling
- ★ Counting and sorting
- ★ Making and creating
- ★ Exploring the outdoor area

We are very excited and ready to get started! Thank you for all your support in helping the children to settle in to Team Woodland!

Have a look at what we have been getting up to!
