18th November 2026

Dear Parents and Carers,

We are delighted to share with you the official report following our recent Ofsted inspection.

We are very pleased to share that we have met the expected standard across all areas. This outcome is a wonderful reflection of the hard work, dedication, and enthusiasm of our entire staff team, as well as the brilliant attitude and engagement of your children every single day. We are pleased that the inspection team recognised and celebrated areas of recent focus with leaders and governors and agreed with our identified priorities going forward.

We would like to say thank you to those of you who took the time to share your views with the inspectors through either the online Parent View survey or directly with members of the inspection team during morning drop-off. Hearing about your experiences contributed to the inspectors' understanding of the wider successes of the school. Your ongoing support plays a vital role in making our setting such a warm, welcoming, and thriving community.

Please find the full report attached to this email. We encourage you to take a moment to read through it and celebrate the many positive highlights noted by the inspection team.

Kind regards

Lynn Bima
