

Knowledge and Skills Progression

Comprehensive Topics - Years 1-6

Programme Overview

Keeping/Staying Safe

- YEAR 1** | Form a basic understanding of how to stay safe
- YEAR 2** | Develop awareness of risks and personal responsibility
- YEAR 3** | Identify hazards and warning signs
- YEAR 4** | Apply strategies to stay safe and consider consequences

Being Responsible

- YEAR 1** | Begin to understand responsibility in everyday situations
- YEAR 2** | Recognise responsible and irresponsible choices
- YEAR 3** | Identify responsible behaviours and their impact on others
- YEAR 4** | Understand responsibility in different situations

Our World / The Working World

- YEAR 1** | Form a basic understanding of family life and the world around us
- YEAR 2** | Develop awareness of caring for living things and early money concepts
- YEAR 3** | Recognise how people help care for the environment
- YEAR 4** | Understand roles and responsibilities in family and community life

Keeping/Staying Healthy

- YEAR 1** | Build an understanding of healthy choices and habits
- YEAR 2** | Explore everyday choices that support health
- YEAR 3** | Recognise routines and behaviours that support wellbeing
- YEAR 4** | Apply knowledge to maintain a healthy lifestyle

Feelings and Emotions

- YEAR 1** | Build an understanding of feelings and emotions
- YEAR 2** | Recognise a range of emotions and their effects
- YEAR 3** | Identify emotions and ways to manage them
- YEAR 4** | Understand more complex emotions and responses

A World Without Judgement

- YEAR 1** | Develop an understanding of fairness and democracy
- YEAR 2** | Recognise individual liberty and the rule of law
- YEAR 3** | Identify the importance of tolerance and respect
- YEAR 4** | Explore how judgement and discrimination can affect others

Relationships / Growing and Changing

- YEAR 1** | Begin to understand positive relationships
- YEAR 2** | Recognise feelings and show empathy for others
- YEAR 3** | Explore personal boundaries and respect for others
- YEAR 4** | Learn about healthy and unhealthy relationships

Computer / Online Safety

- YEAR 1** | Form a basic understanding of safe technology use
- YEAR 2** | Develop awareness of responsible technology use
- YEAR 3** | Recognise online risks and safe choices
- YEAR 4** | Understand respectful online behaviour and cyberbullying

Fire Safety / First Aid

- YEAR 1** | Begin to understand emergency services and staying safe
- YEAR 2** | Recognise responsibility and safe choices
- YEAR 3** | Identify risks and how actions can affect others
- YEAR 4** | Understand basic first aid and how to seek help

1decision Knowledge and Skills Mapping - Keeping/Staying Safe Module for years 1-4

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children build an early understanding of how to stay safe in everyday situations. They explore their existing ideas about safety across familiar environments such as home, school and the wider community, beginning to recognise situations that may involve risk and identify safe and unsafe choices. Children learn simple strategies that help keep themselves and others safe and understand how to ask a trusted adult for help. They also develop their understanding of road, passenger and pedestrian safety, including recognising safe places to cross and why these rules are important.	What I Know Now	- share their existing ideas about how to stay safe in different environments - begin to recognise situations that may involve risk - identify safe and unsafe choices in everyday scenarios - suggest simple strategies that can help keep themselves and others safe	RSHE DfE Links - Families and people who care for me; Being safe; Personal safety; Health protection and prevention
		Road Safety	- understand why it is important to stay safe when crossing the road - recognise a range of safe places to cross the road - understand the differences between safe and risky choices - know different ways to help us stay safe	RSHE DfE Links - Families and people who care for me; Being safe; Personal safety
Year2	In Year 2, children deepen their understanding of personal safety and responsibility. Using everyday examples such as learning to tie shoelaces, they begin to recognise how simple actions can help prevent accidents and develop a broader awareness of risk. Pupils learn to identify situations that may be risky, understand the difference between safe and unsafe choices, and explore rules that help keep themselves and others safe. They also consider ways to stay safe in the community and identify trusted adults who can help when needed.	Tying Shoelaces	- know the reasons to make sure your laces are tied - learn how to tie up laces properly - know rules to keep yourself and others safe - understand the differences between safe and risky choices	RSHE DfE Links - Families and people who care for me; Personal safety
		Staying Safe	- know ways to keep yourself and others safe - recognise risky situations - identify trusted adults around you - understand the differences between safe and risky choices	RSHE DfE Links - Families and people who care for me; Being safe; Personal safety

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of safety by exploring potential risks in familiar environments, particularly at home. They learn to recognise common warning signs, identify possible dangers, and understand the difference between safe and risky choices. Pupils develop their understanding of the importance of listening to trusted adults and following guidance that helps keep themselves and others safe. Through revisiting earlier learning, quizzes and activities, children consolidate their knowledge, strengthening their understanding before progressing to more complex safety topics.	Leaning Out of Windows	- recognise a range of warning signs - spot the dangers we may find at home - know the importance of listening to our trusted adults - understand ways we can keep ourselves and others safe at home - know the differences between safe and risky choices	RSHE DfE Links - Families and people who care for me; Personal safety; Basic first aid
		What I've Learnt	- confidently demonstrate how to keep themselves and others safe in different environments - recognise and respond appropriately to situations that may place themselves or others at risk - apply strategies to stay safe at home, at school and in the community - clearly explain the difference between safe and risky choices	RSHE DfE Links - Families and people who care for me; Personal safety; Being safe
Year4	In Year 4, children re-establish what they already know about keeping safe before building on this through more complex learning. They revisit how to recognise risks and identify strategies that help keep themselves and others safe in a wider range of situations. Pupils explore the possible consequences of accidents or incidents and consider how their actions affect others. They also learn about cycle safety and the importance of listening to trusted adults.	What I Know Now	- share and reflect on their understanding of how to stay safe as they begin to explore more complex safety topics - recognise situations that may place themselves or others at risk - identify trusted people and support that can help them stay safe - suggest and explain safe actions in a range of everyday situations	RSHE DfE Links - Families and people who care for me; Being safe; Personal safety
		Cycle Safety	- identify strategies we can use to keep ourselves and others safe - recognise the impact and possible consequences of an accident or incident - identify what is a risky choice - create a set of rules for and identify ways of keeping safe	RSHE DfE Links - Families and people who care for me; Personal safety

1decision Knowledge and Skills Mapping - Keeping/Staying Healthy Module for years 1-4

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of how to stay healthy in everyday life. They explore their ideas about what helps keep their bodies and minds well, recognising healthy and less healthy choices at home, at school and in the community. Children learn simple habits that support good health, such as eating balanced foods, being active and keeping clean. They also learn how germs can spread and the importance of routines like washing hands.	What I Know Now	- share their existing ideas about what helps people stay healthy - begin to recognise choices that help keep their bodies healthy - identify healthy and less healthy choices in everyday situations - suggest simple habits that help keep themselves and others healthy	RSHE DfE Links - Families and people who care for me; General wellbeing; Physical health and fitness; Healthy eating; Health protection and prevention
		Washing Hands	- understand why it is important to wash our hands - explain how germs spread and how they affect our health - demonstrate correct handwashing technique - begin to identify healthy and unhealthy choices	RSHE DfE Links - Health protection and prevention
Year2	In Year 2, children deepen their understanding of how everyday choices help keep their bodies healthy. They explore the importance of food for growth and wellbeing, recognising that some foods support good health more than others. Pupils learn to identify a range of healthy foods and how these choices support a balanced lifestyle. They also develop their understanding of personal hygiene, particularly the importance of brushing teeth and following simple routines to care for their teeth.	Healthy Eating	- know that different foods help our bodies to stay healthy and grow strong - understand why some foods are healthier than others - be able to explain ways to keep healthy - recognise and begin to make healthy choices	RSHE DfE Links - General wellbeing; Healthy eating; Physical health and fitness
		Brushing Teeth	- understand why it is important to brush our teeth - demonstrate how to brush our teeth properly - suggest ways to remember to brush teeth when we forget, are tired, or busy - recognise and begin to make healthy choices	RSHE DfE Links - General wellbeing; Health protection and prevention

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of how to stay healthy by learning about medicines and how they help when used safely. They explore simple safety rules, including when it is safe to take medicine and who they should accept it from. Pupils continue developing their understanding of healthy and less healthy choices and recognise habits that support wellbeing. Through discussion and activities, they consolidate their knowledge of routines that help keep their bodies healthy.	Medicine	- understand and explain simple safety rules about medicine - explain when it is safe to take medicine and why - know who it is safe to accept medicine from and why - recognise and make important healthy choices	RSHE DfE Links - Caring friendships ; Being safe ; Personal safety ; Drugs, alcohol, tobacco, and vaping (legal, harmful substances)
		What I've Learnt	- confidently explain ways to help keep their bodies healthy - recognise and make healthy choices in everyday situations - apply simple routines that support good health, such as washing hands and brushing teeth - clearly explain the difference between healthy and less healthy choices	RSHE DfE Links - General wellbeing ; Health protection and prevention ; Physical health and fitness
YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year4	In Year 4, children revisit and reflect on their understanding of how to keep their bodies healthy before exploring more complex aspects of health and wellbeing. They develop their knowledge of balanced diets, learning how different foods contribute to a healthy lifestyle and how too much sugar, salt and saturated fat can affect their bodies now and in the future. Pupils also begin to interpret nutritional information on food packaging and consider how everyday choices support long-term health and wellbeing.	What I Know Now	- share and reflect on their understanding of how to keep their bodies healthy as they begin to explore more complex health topics - recognise choices and behaviours that can affect their health and wellbeing - identify people and support who can help them stay healthy and make positive choices - suggest and explain healthy habits that support physical and personal wellbeing in everyday life	RSHE DfE Links - General wellbeing ; Health protection and prevention ; Physical health and fitness ; Healthy eating
		Healthy Living	- explain what is meant by a balanced diet and plan a balanced meal - recognise how too much sugar, salt, and saturated fat in our food and drink can affect us now and when we are older - understand nutritional information on packaged food and explain what it means - describe different ways to maintain a healthy lifestyle	RSHE DfE Links - Healthy eating ; Physical health and fitness ; Health protection and prevention

1decision Knowledge and Skills Mapping - Relationships Module for years 1-4

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of positive relationships in everyday life. They explore their ideas about how people show care, kindness and respect at home and at school. Children begin to recognise behaviours that help build positive relationships and those that may upset others. They learn simple ways to treat others kindly and begin to understand how trusted adults can help when they need support with friendships or feelings.	What I Know Now	- share their existing ideas about how people can treat others kindly and respectfully - begin to recognise behaviours that help build positive relationships - identify kind and unkind behaviours in everyday situations - suggest simple ways they can show kindness and respect to others	RSHE DfE Links - Families and people who care for me; Caring friendships; Respectful, kind relationships
		Friendship	- explain how to be a good friend - recognise kind and thoughtful behaviours - understand the importance of caring about other people's feelings - be able to see a situation from another person's point of view	RSHE DfE Links - Caring friendships; Respectful, kind relationships; Being safe
Year2	In Year 2, children deepen their understanding of positive relationships by exploring emotions and how they influence the way people treat one another. They learn to recognise and name a range of feelings and understand that emotions can be expressed through words and actions. Pupils develop empathy by considering situations from another person's point of view and why it is important to care about others' feelings. They also begin to recognise bullying behaviours and explore ways to respond and seek help.	Bullying	- name a range of feelings - understand why we should care about other people's feelings - be able to see and understand bullying behaviours - know how to cope with these bullying behaviours	RSHE DfE Links - Caring friendships; Respectful, kind relationships; Being safe; General wellbeing
		Body Language	- recognise and name a range of feelings - understand that feelings can be shown without words - be able to see a situation from another person's point of view - explain why it is important to care about other people's feelings	RSHE DfE Links - General wellbeing; Caring friendships; Respectful, kind relationships

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of positive relationships by exploring respect, personal boundaries and how their actions affect others. They learn the importance of caring about other people’s feelings and how empathy supports healthy relationships. Pupils develop their understanding of appropriate and inappropriate touch, personal boundaries and body autonomy. They also learn the correct names for body parts and understand who they can ask for help if they feel worried or uncomfortable.	Touch	- recognise the difference between appropriate and inappropriate touch - know why it is important to care about other people’s feelings - understand personal boundaries - know who and how to ask for help - name human body parts	RSHE DfE Links - Developing bodies; Caring friendships; Being safe; Respectful, kind relationships; Families and people who care for me
		What I’ve Learnt	- confidently demonstrate behaviours that help build positive and respectful relationships with others - recognise and respond appropriately to behaviours that may hurt or upset others - apply strategies to maintain positive relationships at home, at school and in the wider community - clearly explain the difference between kind, respectful and unkind behaviours	RSHE DfE Links - Respectful, kind relationships; Families and people who care for me; Caring friendships; Being safe; General wellbeing; Developing bodies;
Year4	In Year 4, children re-establish what they already know about positive relationships before building on this through more complex learning. They revisit behaviours that support healthy relationships and begin to understand how relationships can change as people grow. Pupils explore different types of relationships, including families, and consider how people support one another. They also develop their understanding of healthy and unhealthy relationships and learn how to ask for help from trusted people.	What I Know Now	- share and reflect on their understanding of positive relationships as they begin to explore more complex relationship topics - recognise behaviours and situations that may affect relationships or cause others to feel upset - identify trusted people and support who can help them manage relationship difficulties or worries - suggest and explain ways to show respect, kindness and consideration in everyday relationships	RSHE DfE Links - Developing bodies; Respectful, kind relationships; Being safe; Families and people who care for me
		Appropriate Touch (Relationships)	- recognise the different types of relationships we can have and describe how these can change as we grow - explain how our families support us and how we can support our families - identify how relationships can be healthy or unhealthy - explain how to ask for help and identify who can help us if a relationship makes us feel uncomfortable	RSHE DfE Links - Families and people who care for me; Caring friendships; Respectful, kind relationships; General wellbeing; Being safe;

1decision Knowledge and Skills Mapping - Being Responsible Module for years 1-4

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of what it means to be responsible in everyday situations. They explore what they can do for themselves and how they can help others at home and at school. Children begin to recognise the things they are responsible for and learn simple ways to prevent accidents, such as dealing with spillages safely. They also learn the difference between responsible and irresponsible behaviour.	What I Know Now	- share their existing ideas about what they can do for themselves and what they are responsible for - begin to recognise responsibilities they have at home and at school - identify ways their responsibilities may change as they grow and become more independent - suggest who can help and support them when they need guidance or assistance	RSHE DfE Links - General wellbeing ; Families and people who care for me
		Water Spillage	- explain how you can help people around you - understand the types of things you are responsible for - know how and understand the importance of preventing accidents - recognise the differences between being responsible and being irresponsible	RSHE DfE Links - Personal safety ; Respectful, kind relationships ; Families and people who care for me ; Basic first aid ; Caring friendships
Year2	In Year 2, children deepen their understanding of what it means to be responsible for their actions and attitudes. They explore how effort and perseverance can help them improve in activities and learn the importance of trying their best and setting simple goals. Pupils consider how responsible behaviour affects others, recognising kind and thoughtful actions. They also develop their understanding of responsible and irresponsible choices and how to stay safe in their community.	Practice Makes Perfect	- name ways you can improve in an activity or sport - understand the importance of trying hard and not giving up - recognise the benefits of practising an activity or sport - learn how to set goals and work to reach them	RSHE DfE Links - Caring friendships ; General wellbeing ; Respectful, kind relationships Wider PSHE Links - Careers education: aspirations, learning and work
		Helping Someone in Need	- know how you can help other people - recognise kind and thoughtful behaviours and actions - understand the risks of talking to people you don't know very well in the community - identify the differences between being responsible and being irresponsible	RSHE DfE Links - Respectful, kind relationships ; Caring friendships ; Being safe ; Personal safety

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of responsibility by exploring why stealing is wrong and how it differs from borrowing. They learn how actions such as taking something that does not belong to them can affect others and begin to understand how people may feel if their belongings are not returned. Pupils develop their understanding of responsible and irresponsible behaviour and consider how their choices affect others before progressing to more complex learning about responsibility.	Stealing	- understand the differences between borrowing and stealing - describe how you might feel if something of yours is borrowed and not returned - know why it is wrong to steal - explain the differences between being responsible and irresponsible	RSHE DfE Links - Respectful, kind relationships; Being safe; Caring friendships;
		What I've Learnt	- confidently demonstrate responsible behaviours that support themselves and others in different environments - recognise and respond appropriately to situations where responsible choices are needed - apply strategies to show responsibility at home, at school and in the wider community - clearly explain the difference between responsible and irresponsible choices	RSHE DfE Links - Respectful, kind relationships; Caring friendships;
Year4	In Year 4, children re-establish what they already know about being responsible before building on this through more complex learning. They revisit how responsible choices can affect themselves and others and recognise the importance of behaving responsibly in different situations. Pupils explore why rules are important at home and in the wider community and consider when being organised and on time matters. Through discussion and activities, they develop their understanding of sensible and responsible behaviour.	What I Know Now	- share and reflect on their understanding of what it means to be responsible as they begin to explore more complex aspects of responsibility - recognise situations where responsible choices and actions are needed and consider the positive impact these actions can have - identify people and support who can help guide them in making responsible decisions - suggest and explain ways they can act responsibly in a range of everyday situations and how these actions can benefit others	RSHE DfE Links - Respectful, kind relationships
		Coming Home on Time	- recognise the importance of behaving in a responsible manner in a range of situations - describe a range of situations where being on time is important - explain the importance of having rules in the home - describe ways that behaviour can be seen to be sensible and responsible	RSHE DfE Links - Respectful, kind relationships; Families and people who care for me

1decision Knowledge and Skills Mapping - Feelings and Emotions Module for years 1-4

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of feelings in everyday situations. They share their ideas about different emotions and recognise how feelings can affect their bodies and behaviour. Children learn to name a range of feelings and understand the difference between pleasant and unpleasant ones. They explore simple ways to express their feelings through words and actions and learn basic strategies to help manage uncomfortable emotions.	What I Know Now	- share their existing ideas about different feelings and emotions they may experience - begin to recognise situations that may cause different feelings identify - a range of feelings in everyday situations suggest simple ways they and others can express and manage their emotions	RSHE DfE Links - General wellbeing
		Jealousy	- identify and name difficult feelings, such as jealousy, and describe some physical signs they may notice - know that these feelings are normal and begin to recognise helpful and unhelpful ways of showing them - learn and practise simple strategies to manage difficult feelings in positive ways - recognise that feelings can be shown through words, actions and body language	RSHE DfE Links - General wellbeing; Caring friendships; Respectful, kind relationships Wider PSHE Links - Careers education: aspirations, learning and work
Year2	In Year 2, children deepen their understanding of feelings and emotions by learning how emotions such as anger and worry can affect their thoughts, behaviour and bodies. They learn to recognise and name these emotions and identify situations that may cause them. Pupils explore ways feelings can be communicated through words, actions and body language. Through discussion and activities, children practise simple strategies to manage uncomfortable emotions and express their feelings in positive ways.	Worry	- identify and name feelings of worry and describe some physical signs they may experience - understand that worry is a normal emotion and identify situations that may cause someone to feel worried learn and practise strategies to manage feelings of worry in positive ways - explain that feelings of worry can be communicated through words, actions and body language	RSHE DfE Links - General wellbeing; Families and people who care for me; Caring friendships
		Anger	- identify and name feelings of anger and describe some physical signs they may experience - understand that anger is a normal emotion and distinguish between helpful and unhelpful ways of expressing it learn and practise strategies to manage feelings of anger in positive ways - explain that anger can be communicated through words, actions and body language	RSHE DfE Links - General wellbeing; Being safe; Respectful, kind relationships; Families and people who care for me

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of feelings and emotions by learning about grief and loss in an age-appropriate way. They explore how experiences of loss can affect how people feel, think and behave, and recognise the emotional and physical responses that may occur. Pupils build on their understanding of pleasant and unpleasant emotions and consider situations that may cause different feelings. Through discussion and activities, they practise strategies to manage and express emotions in positive ways.	Grief	- identify and name feelings linked to loss and grief and describe some physical signs of sadness or upset - understand that grief is a natural response to loss and identify situations that may cause these feelings - learn and practise strategies to cope with feelings related to loss and grief in healthy ways - explain that feelings of loss and grief can be communicated through words, actions and body language	RSHE DfE Links - General wellbeing ; Respectful, kind relationships ; Families and people who care for me
		What I've Learnt	- confidently recognise and describe a range of emotions and how they may affect thoughts, behaviour and physical feelings - recognise and respond appropriately to situations that may cause different emotions for themselves or others - apply strategies to help manage and express their feelings in positive ways at home and at school - clearly explain the difference between pleasant and unpleasant emotions - and how they can be managed	RSHE DfE Links - General wellbeing ; Physical health and fitness
Year4	In Year 4, children re-establish what they already know about feelings and emotions before building on this through more complex learning. They revisit how different situations can cause a range of emotions and identify strategies to help manage and express their feelings in positive ways. Pupils explore more challenging emotions and recognise the physical and emotional responses these feelings may bring. Through discussion and activities, they consider how their responses can affect themselves and others.	What I Know Now	- share and reflect on their understanding of feelings and emotions as they begin to explore more complex emotional experiences - recognise situations that may cause different emotions for themselves or others - identify people and support who can help them manage difficult or uncomfortable emotions - suggest and explain strategies that can help them express and manage their feelings in positive ways	RSHE DfE Links - General wellbeing ; Physical health and fitness ; Health protection and prevention
		Jealousy	- identify and name difficult emotions, such as jealousy, and describe some physical signs they may experience - understand that difficult emotions are a normal part of life and distinguish between helpful and unhelpful ways of expressing them - learn and practise strategies to manage challenging emotions in positive ways - explain that emotions can be communicated through words, actions and body language	RSHE DfE Links - General wellbeing ; Caring friendships ; Respectful, kind relationships Wider PSHE Links - Careers education: aspirations, learning and work

1decision Knowledge and Skills Mapping - Computer & Online Safety Module for years 1-4

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of technology and how it forms part of everyday life. They explore their ideas about devices such as computers and tablets and consider how technology can be used in helpful ways. Pupils learn that the same kindness and respect shown in real life should also apply when using technology. They also begin to understand who they can ask for help if something worries them.	What I Know Now	- share their ideas about using computers and the internet - begin to recognise when something online may not be safe - identify safe and unsafe choices when using technology - suggest ways to stay safe online and ask an adult for help	RSHE DfE Links - Online safety and awareness ; Wellbeing online
		Online Bullying	- understand how your online actions can affect others - identify the positives and negatives of using technology - know who and how to ask for help - recognise kind and unkind comments	RSHE DfE Links - Online safety and awareness ; Wellbeing online ; Being safe ; Respectful, kind relationships ; Caring friendships ; General wellbeing
Year2	In Year 2, children deepen their understanding of technology and how it can be used safely and responsibly. They explore the positives and negatives of using technology and begin to recognise how what they do when using devices can affect others. Pupils learn simple rules that help keep themselves and others safe and consider why these rules are important. They also develop their understanding of who they can ask for help if something online or on a device worries them.	Image Sharing	- identify the positives and negatives of using technology - know who and how to ask for help - list rules for keeping and staying safe - understand how your online activity can affect others	RSHE DfE Links - Online safety and awareness ; Wellbeing online ; Being safe ; Respectful, kind relationships ; Caring friendships
		Computer Safety Documentary	- recognise that we should not share personal information online - understand that we should be kind and respectful when using technology - identify when it is important to ask a trusted adult before downloading apps or sharing images - explain that people online may not always be who they say they are	RSHE DfE Links - Online safety and awareness ; Wellbeing online ; Respectful, kind relationships ; Being safe ; General wellbeing ; Personal safety

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of how to stay safe when using technology by exploring potential risks that can arise when communicating online. They learn to recognise possible dangers, including the risks of talking to strangers in online spaces, and consider the consequences of unsafe choices. Pupils also explore the positives and negatives of using technology and develop their understanding of safe and risky behaviour online before progressing to more complex online safety topics.	Making Friends Online	- identify possible dangers and consequences of talking to strangers online - know how to keep safe in online chatrooms - name the positives and negatives of using technology - understand the difference between safe and risky choices online	RSHE DfE Links - Online safety and awareness; Wellbeing online; Personal safety; Being safe; Caring friendships
		What I've Learnt	- confidently demonstrate how to use technology safely and responsibly in different environments - recognise and respond appropriately to situations that may make themselves or others feel unsafe when using technology - apply strategies to stay safe when using devices at home and at school - clearly explain the difference between safe and unsafe choices when using technology	RSHE DfE Links - Online safety and awareness; Wellbeing online; Respectful, kind relationships; Being safe; Caring friendships
Year4	In Year 4, children re-establish what they already know about staying safe when using technology before building on this through more complex learning. They revisit how to recognise situations that may place themselves or others at risk online and identify strategies that support safe and respectful behaviour. Pupils explore positive values in online relationships and consider the feelings that may arise from online bullying. They also learn coping strategies and who they can ask for help.	What I Know Now	- share and reflect on their understanding of how to stay safe when using technology as they begin to explore more complex online safety topics - recognise situations that may place themselves or others at risk when using technology or communicating online - identify trusted people and support who can help them if something online or on a device worries them - suggest and explain safe actions that help them use technology responsibly in everyday situations	RSHE DfE Links - Online safety and awareness; Wellbeing online; Respectful, kind relationships; General wellbeing
		Online Bullying	- recognise the key values that are important in positive online relationships - explain the feelings and emotions that may arise from online bullying - develop coping strategies to use if we or someone we know is being bullied online - identify how and who to ask for help	RSHE DfE Links - Online safety and awareness; Wellbeing online; Respectful, kind relationships; General wellbeing; Caring friendships; Being safe;

1decision Knowledge and Skills Mapping - Our World Module for years 1-4

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of the world around them and how living things grow and are cared for. They explore their ideas about what lives and grows in our world and begin to understand the needs of a baby. Pupils recognise what they can do for themselves as they grow and develop greater independence. They also explore family life and understand how families care for one another.	What I Know Now	- share their existing ideas about what lives and grows in our world - begin to recognise that people, animals and plants need care to grow and stay healthy - identify who helped to look after them when they were babies - suggest simple ways they are learning to look after themselves as they grow	RSHE DfE Links - Developing bodies (early introduction to human life cycle); Families and people who care for me
		Growing in Our World	- understand the needs of a baby - explain what you can do for yourself now you are older • describe the common features of family life - recognise the ways in which your family is special and unique	RSHE DfE Links - Families and people who care for me ; General wellbeing ; Health protection and prevention ; Respectful, kind relationships ; Wider PSHE Links - Careers education: aspirations, learning and work
Year2	In Year 2, children deepen their understanding of how they can care for the world around them. They explore why it is important to look after living things and consider ways they can help care for plants, animals and their environment at home and in their community. Pupils learn about keeping places clean and encouraging others to do the same. They also begin to develop an early understanding of money and the jobs people do in their community.	Living in Our World	- understand why we should look after living things - identify how we can look after living things both inside and outside of the home - recognise why it is important to keep our communities and countryside clean - encourage others to help keep their communities and countryside clean	RSHE DfE Links - Families and people who care for me ; General wellbeing Wider PSHE Links - Careers education: aspirations, learning and work
		Working in Our World	- understand different ways we can receive money - know how to keep money safe - describe the skills you may need in a future job or career - recognise the differences between wants and needs	RSHE DfE Links - General wellbeing Wider PSHE Links - Economic wellbeing ; Careers education: aspirations, learning and work

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of the world around them by exploring how people grow, live and work within their environment. They learn about the importance of caring for the planet and begin to understand how their choices can help protect it. Pupils explore ideas such as reducing, reusing and recycling, and consider ways to save water and electricity. Through discussion and activities, they recognise how small actions can help care for the world and reduce their impact on the environment.	Looking After Our World	- explain the meaning of reduce, reuse, and recycle - recognise how we can help look after our planet - identify how to reduce the amount of water and electricity we use - understand how we can reduce our carbon footprint	RSHE DfE Links - This topic does not link to the DfE statutory elements
		What I've Learnt	- confidently demonstrate ways to care for living things and the world around them in different environments - recognise and respond appropriately to situations where people, animals or the environment may need care or protection - apply strategies to help look after their surroundings at home, at school and in their community - clearly explain how people grow, live and work in the world, and why it is important to care for living things and the environment	RSHE DfE Links - Developing bodies (early introduction to human life cycle)
Year4	In Year 4, children re-establish what they already know about how people contribute to family and community life before building on this through more complex learning. They explore the ways their actions can positively support those who care for them and consider how they can contribute at home, at school and in their community. Pupils begin to develop an awareness of the skills people use in different roles and start to recognise how these skills may help them in future jobs.	What I Know Now	- share and reflect on their understanding of how people support their families, communities and wider society - recognise responsibilities they may have at home and how helping with everyday tasks contributes to family life - identify skills and qualities that may be useful in different jobs and roles people do - suggest and explain simple ways money is used, earned and saved in everyday life	RSHE DfE Links - Families and people who care for me ; General wellbeing ; Respectful, kind relationships Wider PSHE Links - Economic wellbeing ;
		Chores at Home	- recognise ways in which we can help those who look after us - explain the positive impact of our actions - describe the ways in which we can contribute to our home, school, and community - identify the skills we may need in our future job roles	RSHE DfE Links - Families and people who care for me ; General wellbeing ; Respectful, kind relationships Wider PSHE Links - Careers education: aspirations, learning and work

1 Decision Knowledge and Skills Mapping - A World Without Judgement Module for years 1-4 (*British Values*)

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of fairness, choice and respect for others. They explore their existing ideas about how groups make decisions together and learn that everyone's voice can be heard. Pupils begin to understand what democracy means in simple terms, recognising times when people vote or choose things together. They also learn that people may think differently and begin to explore ways to make fair choices when they do not agree.	What I Know Now	- share their existing ideas about rules, fairness and how we treat others kindly - begin to recognise why rules help keep classrooms and communities fair and safe - identify ways they can show kindness, respect and fairness to others - suggest simple ways they can make positive choices and help everyone feel included	RSHE DfE Links - <i>Caring friendships; Respectful, kind relationships; Being safe</i> Wider PSHE Links - <i>Careers education: aspirations, learning and work</i>
		Democracy	- understand what a democracy is - spot times when people vote or choose things together - know that people can think differently - talk about ways to make fair choices when we do not agree	RSHE DfE Links - <i>Respectful, kind relationships</i> Wider PSHE Links - <i>Economic wellbeing;</i>
Year2	In Year 2, children deepen their understanding of fairness, choice and responsibility. They explore how people can make their own choices and begin to recognise that these choices may be different from those around them. Pupils consider their own strengths, interests and goals while learning to respect the choices of others. They also explore the importance of rules in helping people stay safe and treat each other fairly, recognising how rules support communities at home, at school and in everyday life.	Individual Liberty	- understand that people can make their own choices and that these choices may be different from others - explain why it is important that everyone can make safe choices - recognise ways to respect the choices of others while making responsible choices themselves - identify their own strengths, interests and goals, understanding that these may be different from those around them	RSHE DfE Links - <i>Caring friendships; Respectful, kind relationships; General wellbeing</i> Wider PSHE Links - <i>Careers education: aspirations, learning and work</i>
		Rule of Law	- explain how rules help groups work and learn together at home, at school and in the community - understand why rules are important in helping people stay safe and treat others fairly - identify examples of rules that people follow in everyday life - recognise that rules apply to everyone and help people make fair and responsible choices	RSHE DfE Links - <i>Respectful, kind relationships; Personal safety; Caring friendships</i>

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year3	In Year 3, children broaden their understanding of tolerance and respect by exploring how people may have different beliefs, opinions and ways of living. They learn why it is important to respect these differences and recognise how kindness and respectful behaviour help create fair and inclusive communities. Pupils consider how their actions can support others and practise responding positively where fairness and respect are important. Through quizzes and activities, children consolidate their understanding before progressing to more complex ideas about equality and inclusion.	Tolerance	- understand that people may have different beliefs, opinions and ways of living - explain why it is important to respect and tolerate differences between people - identify ways to show kindness and respect towards people whose views or backgrounds may be different from their own - recognise how respectful behaviour helps create a fair and inclusive community	RSHE DfE Links - Families and people who care for me; Respectful, kind relationships; Caring friendships; General wellbeing Wider PSHE Links - Careers education: aspirations, learning and work
		What I've Learnt	- confidently demonstrate respectful behaviour towards people with different beliefs, opinions or backgrounds - recognise and respond appropriately when fairness, respect and tolerance are important - apply strategies that help create inclusive environments at home, at school and in the community - clearly explain why respect, tolerance and fairness help people live and work together positively	RSHE DfE Links - Caring friendships; Respectful, kind relationships; Being safe Wider PSHE Links - Careers education: aspirations, learning and work
Year4	In Year 4, children re-establish what they already know about respect, fairness and belonging before building on this through more complex learning. They revisit how communities include people with different strengths, goals and experiences. Pupils explore the importance of recognising positive qualities in others and understanding that being different is okay. They also consider barriers that may prevent people from being treated equally and explore ways their actions can promote fairness and inclusion.	What I Know Now	- share and reflect on their understanding of how communities work together as they begin to explore ideas about judgement and fairness - recognise situations where unfair judgement or discrimination may affect individuals or groups - identify people and groups that help support fairness and respect within communities - suggest and explain ways they can show respect for themselves and others and help create inclusive communities	RSHE DfE Links - Families and people who care for me; Respectful, kind relationships; Caring friendships; General wellbeing Wider PSHE Links - Careers education: aspirations, learning and work
		Breaking Down Barriers	- recognise positive attributes in others - explain why being different is okay - explore your own strengths and goals, and understand that these may be different from those around you - identify some of the ways we can overcome barriers and promote equality	RSHE DfE Links - Families and people who care for me; Respectful, kind relationships; Caring friendships; General wellbeing Wider PSHE Links - Careers education: aspirations, learning and work

1 Decision Knowledge and Skills Mapping - Fire Safety Module for years 1-3

YR	Year Intent	Topic	Knowledge Gained & Skills Progression	Curriculum Links
Year1	In Year 1, children begin to develop an early understanding of the people and services that help keep communities safe. They explore their ideas about emergencies and learn about the roles of emergency services, with a particular focus on the Fire Service. Pupils begin to recognise how their actions can affect others and understand why hoax calls are dangerous. Through discussion and activities, they learn simple ways to stay safe and share their knowledge of fire safety.	What I Know Now	- share their existing ideas about how people stay safe and who helps keep us safe in our community - begin to recognise situations that may be emergencies or unsafe - identify emergency services, such as the Fire Service, and understand how they help people - suggest simple actions that help keep themselves and others safe in everyday situations	This module supports schools in covering the following: RSHE DfE Links - Families and people who care for me; Being safe; Personal Safety; Basic first aid Wider PSHE Links - Careers education: aspirations, learning and work
		Hoax Calling	- understand the importance of being responsible and how our actions/ choices can affect others - know what a 'hoax call' is and why it can be risky - explain why our emergency services are an important part of our community - show my knowledge of fire safety to others	
Year2	In Year 2, children deepen their understanding of fire safety and personal responsibility. They explore how certain actions can be potentially dangerous and recognise the difference between safe and risky choices in everyday situations. Pupils practise simple ways to stay safe and identify how they can find help if needed. They also consider how their actions affect others and develop a growing awareness of the importance of behaving responsibly to help keep themselves and those around them safe.	Petty Arson	- understand the importance of being responsible and how our actions/choices can affect others - practise simple ways of staying safe and finding help - know that even small fires can be very dangerous - identify the differences between safe and risky choices	
		Enya and Deedee Visit the Fire station	- explain the importance of being responsible and how our actions/ choice can affect others - show my knowledge of fire safety to others - understand the importance of being responsible and how our actions/ choices can affect others - practise simple ways of staying safe and finding help	
Year3	In Year 3, children broaden their understanding of fire safety by exploring how their actions and choices can affect the safety of others. They learn to recognise situations where behaviour may create risk, including how drivers can become distracted, and consider ways they can help keep people safe. Pupils develop their	Texting Whilst Driving	- understand how our actions and choices can affect others - recognise how drivers can be distracted - know how to help others stay safe - describe the differences between safe and risky choices	

	understanding of the difference between safe and risky choices. Through discussion and activities, they consolidate their knowledge before progressing to first aid topics.	What I've Learnt	• confidently demonstrate ways to help keep themselves and others safe in different situations • recognise and respond appropriately to situations where actions may place themselves or others at risk • apply strategies that help keep people safe at home, at school and in the community, including around roads and vehicles • clearly explain the difference between safe and risky choices and how these choices can affect others
