Dear Parents and Carers,

Important Update: Upcoming Dandelion outdoor surface and school roofing repairs

We are writing to inform you that essential grounds and roofing works will begin at Hilltop First School on Monday 21st September. These improvements are part of our ongoing commitment to maintaining a safe, warm, and welcoming environment for all our pupils, staff and visitors.

The approximate duration of the project is three months. Please be assured that the safety of our children, staff, and visitors remains our absolute priority. All necessary health and safety procedures are fully in place. The work areas will be securely cordoned off, and contractors will adhere to safeguarding requirements and agreed site rules.

While it is inevitable that some daytime noise and minor distractions will occur, we are working closely with the site manager to minimise disruptions to learning. Lessons and daily activities will be carefully managed to ensure our pupils can carry on with as close to normal school days as possible.

School drop-off and pick-up arrangements will not be impacted and remain the same.

Thank you in advance for your patience, cooperation, and support as we upgrade our school environment.

Kind Regards

Lynn Bima
Headteacher
