Dear parents/carers,

KS2 Trip

We have planned an exciting trip to **Butser Ancient Farm** in Hampshire on **Wednesday 25th March 2026**. This is an open-air farm which features replicas of ancient dwellings such as a Roman villa, a Celtic village, and a Stone Age farm as well as workshops run by their education staff. This will tie in directly with our Autumn term Topic 'Stone Age to Iron Age'.

The children will enjoy a tour of the sites and take part in activities which will focus on what life was like in the Stone, Bronze Age and Iron Age and give them a first-hand experience of family life at that time.

We will be hiring coaches to transport the children. The Cost for the coach plus entry will be **£22**. Please login Arbor to make payment/s. The cost can be split into 2 instalments or paid in full via Arbor, payment dates are 2nd February & 2nd March 2026. By doing so we will accept this as consent for your child to attend the trip.

We recognise that this is an expensive trip but we believe it will be a valuable learning experience for the children. The cost to the school is more than we are requesting from families and we will be asking for your support with a whole school cake sale organised by each KS2 class to make up the remainder of the cost. These cake sales will be held through the year and we will send out more information later.

Further details, including timings, lunch and clothing, will be communicated in the new year.

Kind regards,
Miss Mason
KS2 Leader
